Thanks for being like you are, and don't ever change, whatever anyone says. I'm sorry about some things this year, but maybe later on it will all turn out right. Have lots of fun this summer.

Love,
Sigrid

P.S. Don't ask me when, you know when I go, or else you could find out.

... THAT

WAS!"

That Was The Year That Was!
Baytown was buzzing with activity
From Orientation to Graduation,
Rooms full of sparkle and vitality.

That Was The Year That Was!
Prom, Polio Drive, Magazines,
Balls from Foot to Christmas To Base,
Miss Photogenic to Homecoming Queens.

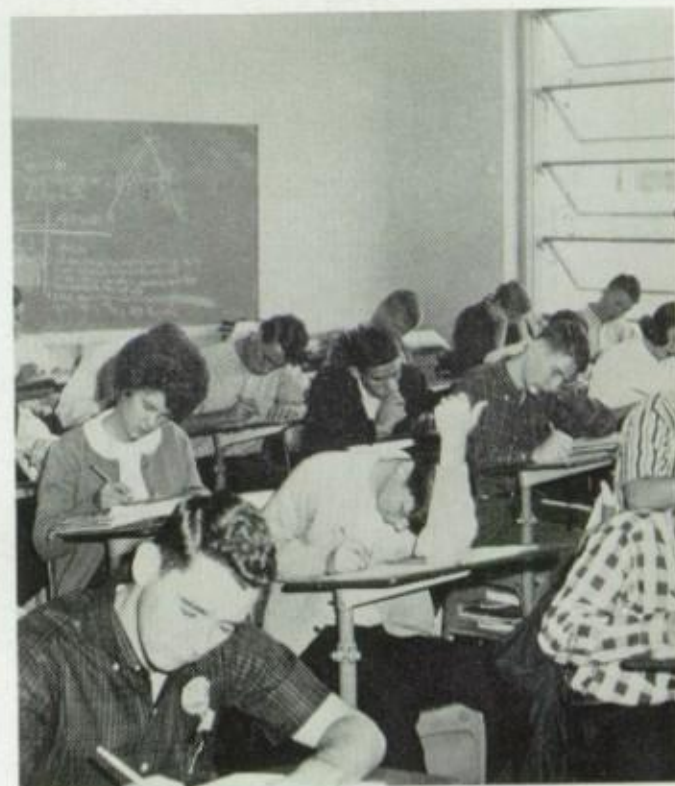

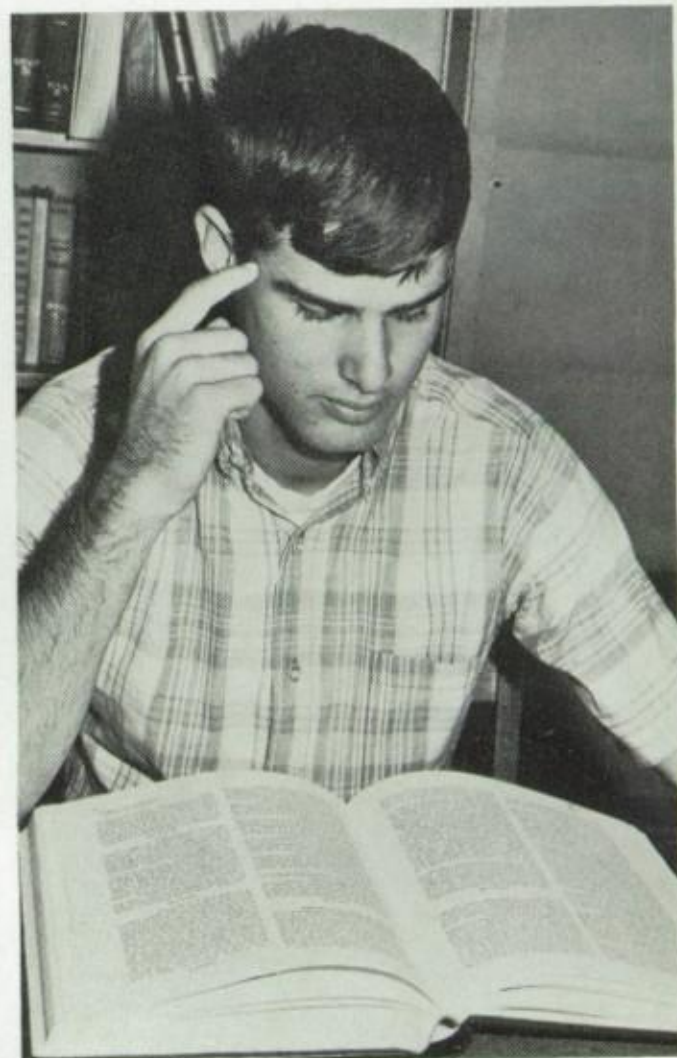

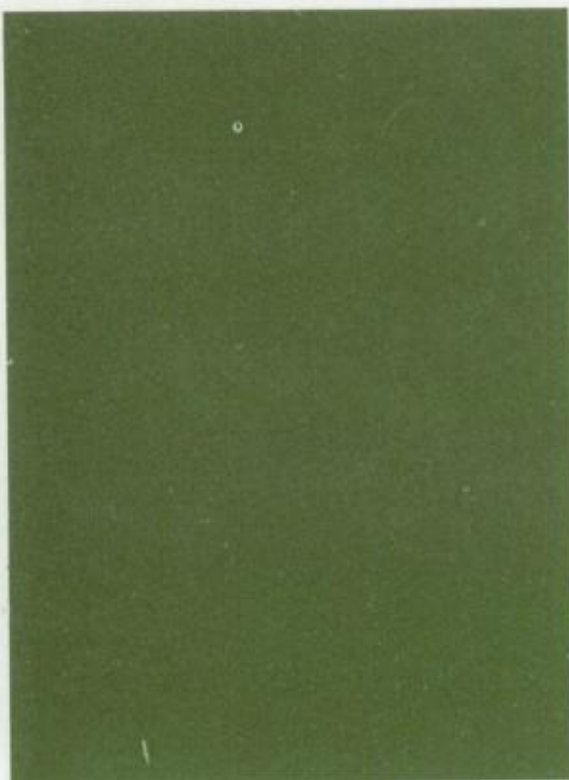

That Was The Year That Was!
General Motors struck, the Cardinals won,
Fishing tournament, "Dora" and "Hilda",
Election Year for Goldwater and Johnson.

That Was The Year That Was!
Bay High was bigger and better than ever.
The halls resounded with the cry—
"Forward Ever! Backward Never!"

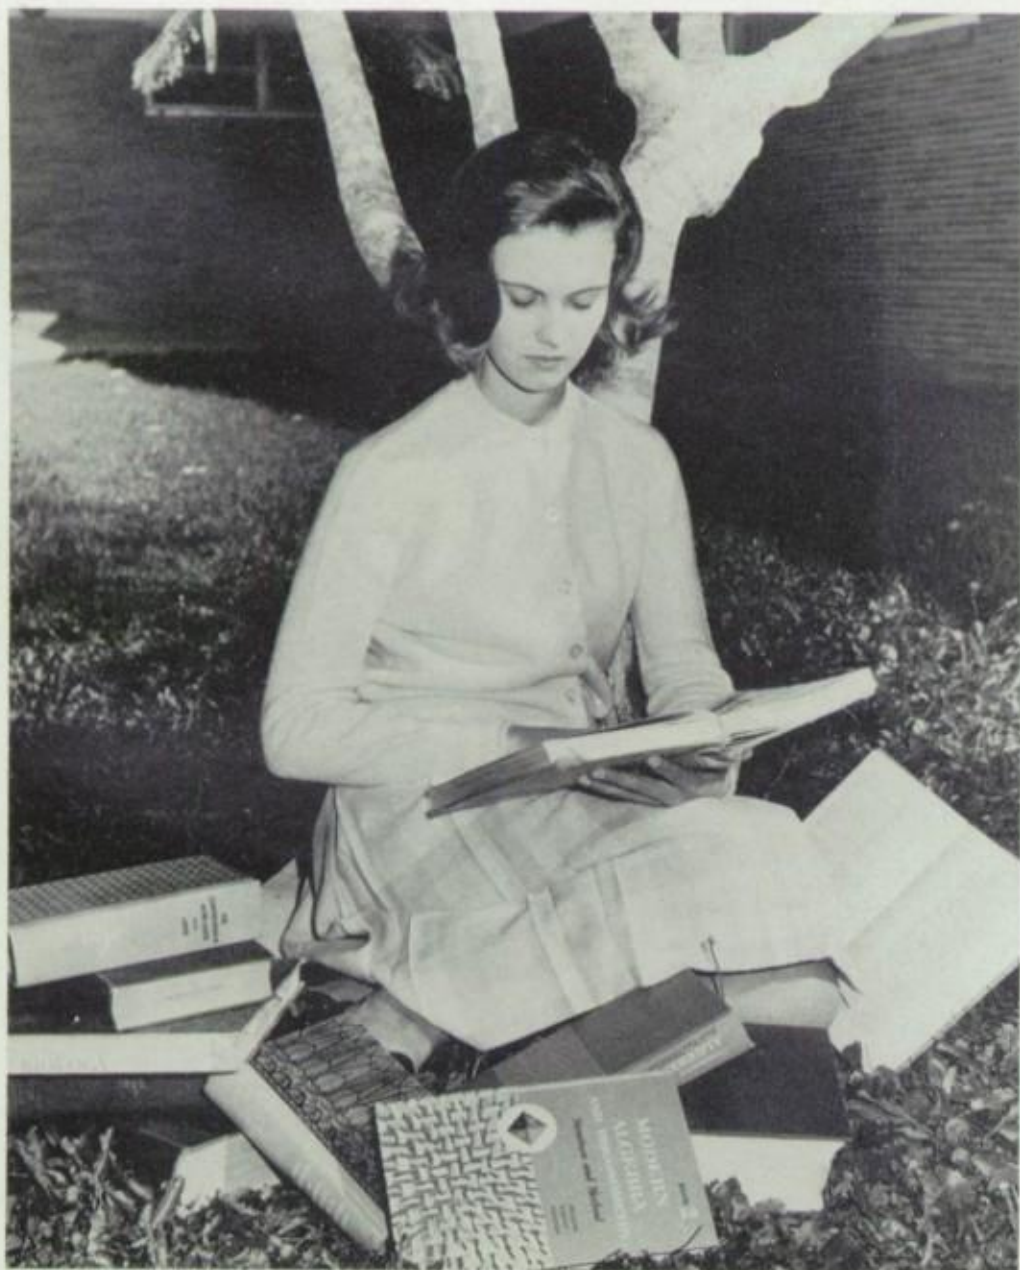

Graham,
It's really been nice
being in Biology with you
this year. Thanks so
much for telling me
some of our hard English
tests. (And for the use of your
notebook.) You're a real sweet boy
and it's been a pleasure knowing
you. Good luck in everything
you try to do! Love you,

*Two Seniors were out on a boring date,
And they said, "My, it's nice and late.
What could we do that's lots of fun?
Go "roll" some teacher's yard, then run?"*

*Their bright brains were entered by a thought new.
It entered four other Seniors' brains, too.
They all converged on Jerrilyn's house
Where nothing was stirring but her pet mouse.*

*They knocked on her door asking "How do you feel?
We're fine and we wanna see the SENIOR SEAL!"*

Linda Buchanan, Teresa Hand, Dottie McCrillis, Gwen Parrott, and Susan Lawrence were the lovely five finalists for Miss Tornado Whirl.

1964 CHRISTMAS BALL

*Yes, Christmas comes but once a year
And when it comes, it brings a Ball.
Boys in dinner jackets—dashing, handsome.
Each boy knows HIS girl's the prettiest of all.*

*"Wonderland by Night" was this year's theme.
Miss Tornado Whirl was Teresa Hand.
A skit of Christmas—Past, Present, Future.
Music provided by our own Dance Band.*

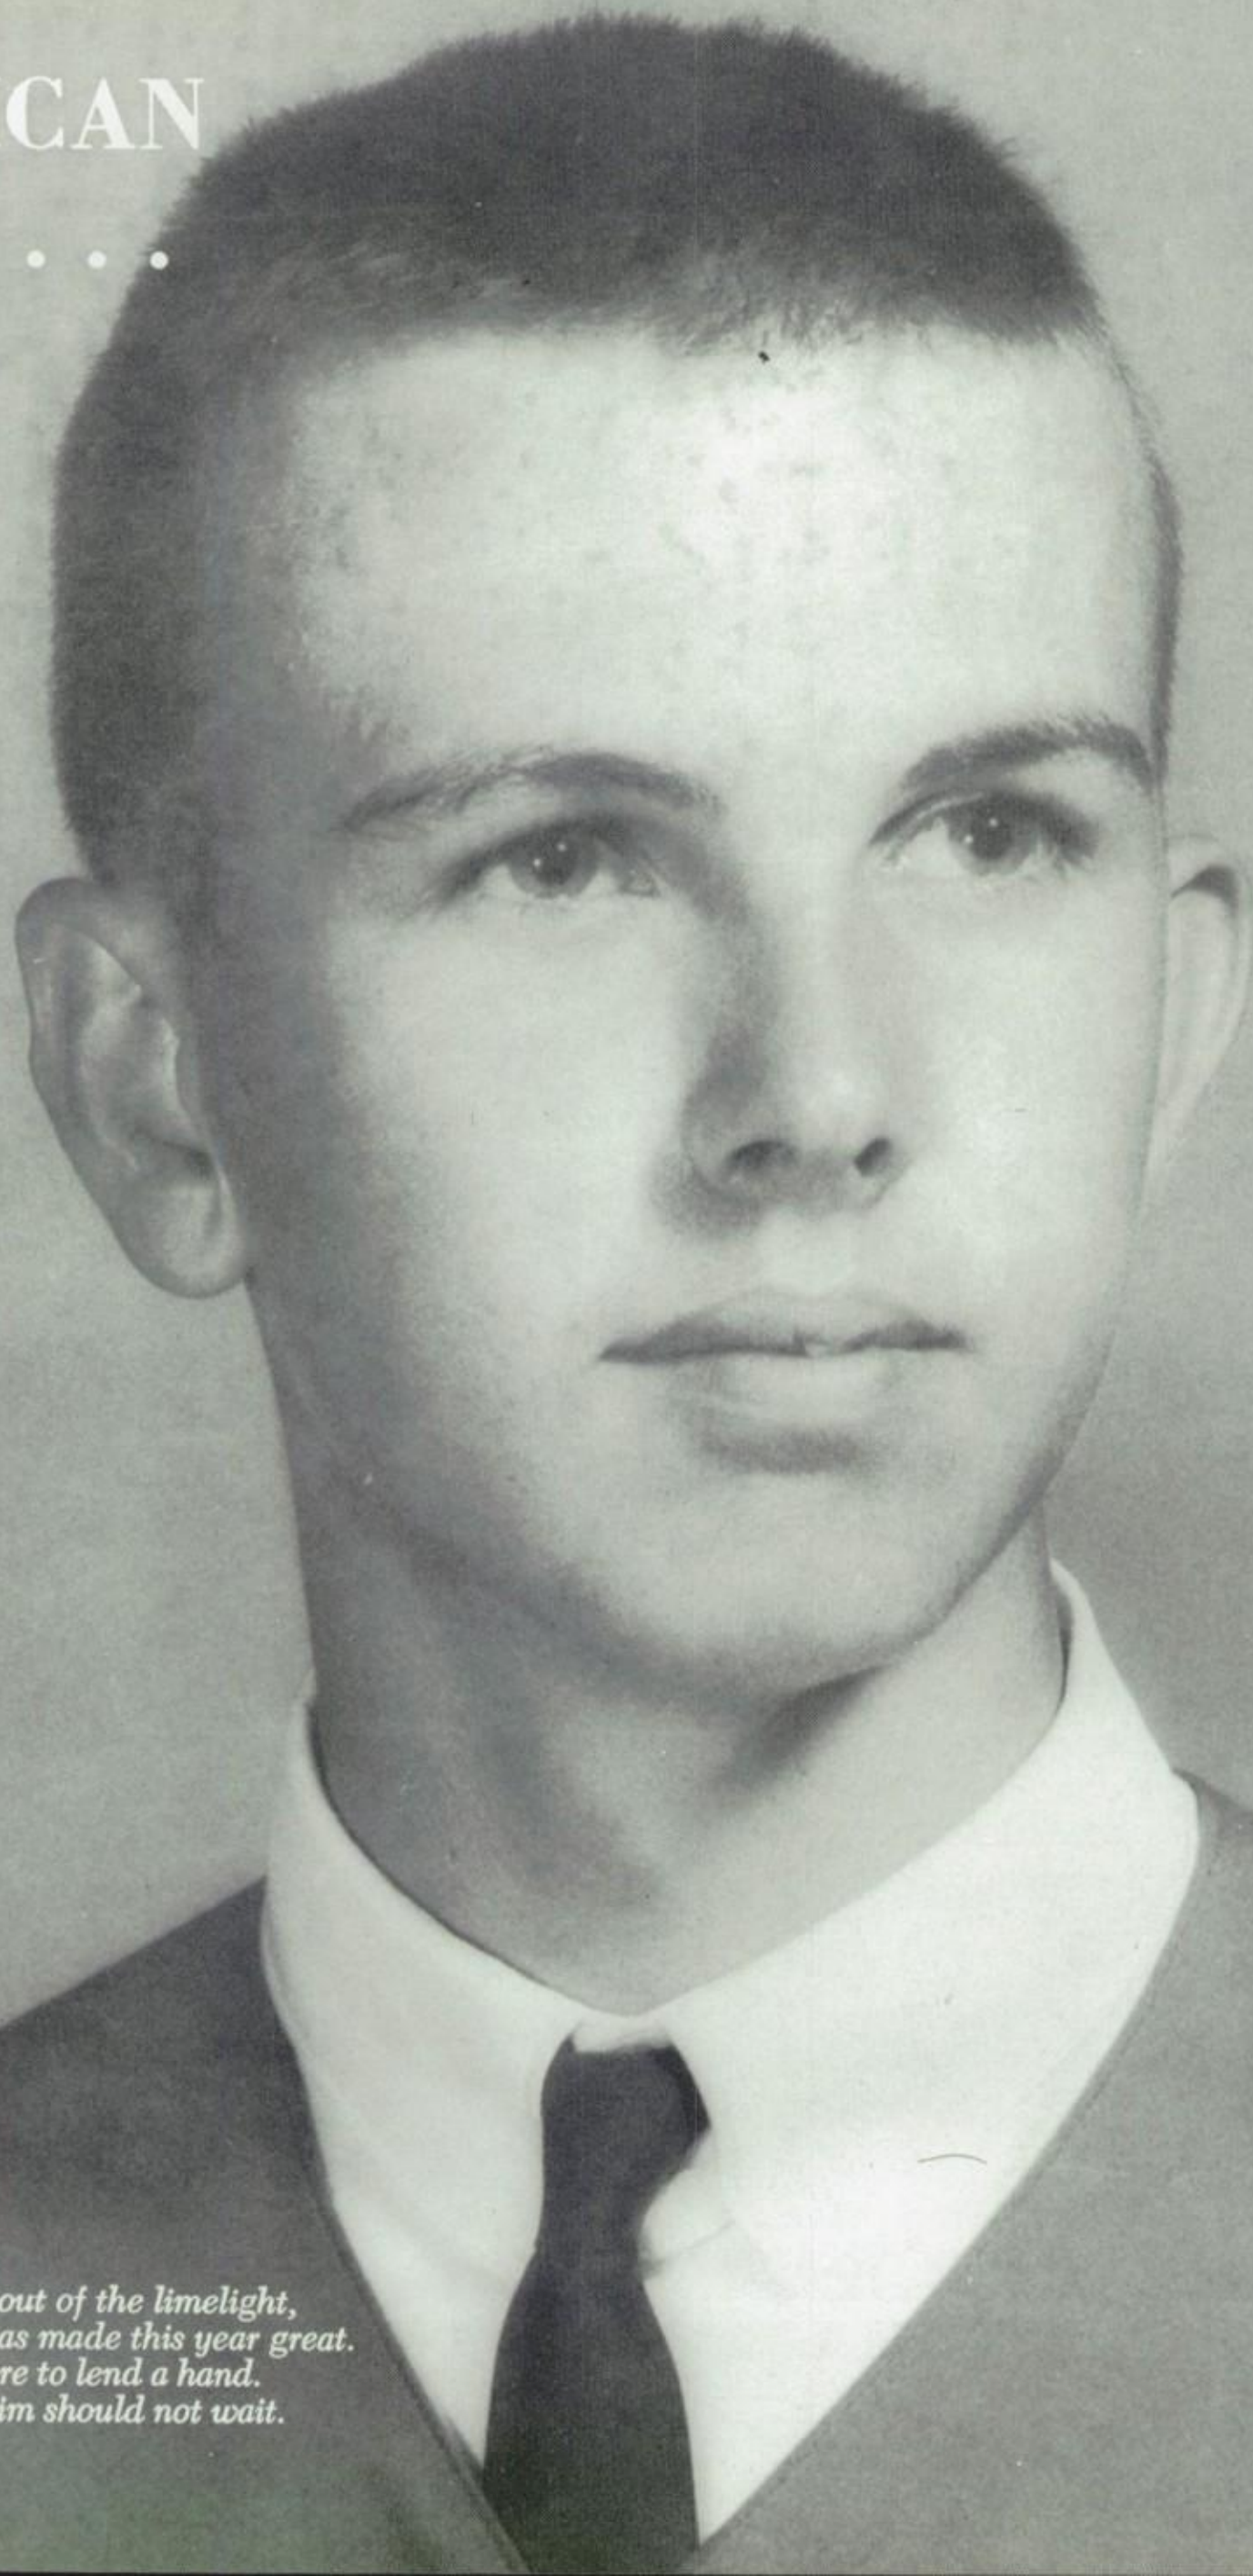

Teresa Hand

A black and white portrait of a woman with dark, wavy hair and bangs, smiling. She is wearing a dark jacket over a white collared shirt. The background is a plain, light color.

THE SALUTES

*Always working "behind the scenes"
To Donna Morley Bay High owes much.
This year wouldn't have been the same
Without her special, transforming touch.*

PELICAN YOU . . .

*A quiet leader, out of the limelight,
John C. Stone has made this year great.
He's always there to lend a hand.
Our thanks to him should not wait.*

MISS JUNE SUSAN COOPER
D.A.R. CITIZENSHIP AWARD

*Citizenship, Character, Service—these and more—
June Cooper's who the DAR Award is for.*

BOYS' AND GIRLS' STATE

*June Cooper went to Girls' State
And she liked it so much,
She went on to Girls' Nation
To give "justice" a girlish touch.*

*Bobby and Mike off to Boys' State.

It's really been great being in English, biology, and American history with you. It's really been a lot of fun! I hope we have lots of classes together next year.

We haven't known each other for more than a couple years, but we're pretty good friends, huh? I hope we are! I'm jealous of you and Patti, too!

Dear Abraham,

To a very mixed up and confused boy. But one I think is very nice. It has been fun this year hearing all your problems and vis-versa. But that's the way it goes it sure isn't a perfect world is it. I've also enjoyed being in Biology and American History where we always talked but never got in trouble. Thanks for all your help and advice. Hope we continue being friends in our junior year and by then you have no problems. Never such luck. Stay as nice? as you are and life will hold the best for you.

Now that I have your attention, let me hand you some compliments. You're sweet, cute, nice(?), lovable, laughable, wonderful, kind, adorable, handsome, intelligent, brave, and overall a pretty great guy. Now if you have a swelled head, simmer down, I didn't list all of your bad qualities.

I really have enjoyed knowing you these past 3 or 4 years. We have had some good times together, but also some bad.

I hope to have you in some of my classes in the future two years at dear old Bay Hi.

If and when you learn to surf, come and see me, (I don't know how.)

Maybe I'll see you this summer but if I don't, Be good(?)

Love forever,

Pat
